# WELCOME

International HERUG Conference 2004

**WHAT'S HOT IN THE 'HER' MARKET ?**

And what do universities think about all this?  
 What are Herug members up to?  
 What benefits have they already reaped from their ERP implementations?  
 What do they expect for the future?

A representative from every participating university will present his/her  
 university.

We are most proud of:

Our greatest frustration is:

Name of your institution Enter here your Logo

What do you see as the biggest challenge?

How can SAP help you what do you expect from SAP?

**THANK YOU FOR THE TERRIFIC RESPONSE !!!  
 IT PROMISES TO BE VERY INTERESTING !!!**
