

Creation? Innovation?  
Ambition?

The Humanities and Social Sciences Group, Faculty of Business and Economics, Department of Economics are looking for

## Research Associate (f/m) - ABV2011257

The International Economic research group is part of the Centre for Economic Studies at the Katholieke Universiteit Leuven. The research and teaching activities are centralized around three main research sub-groups: International Monetary Economics, International Finance, and European Integration and International Trade.

As postdoctoral researcher, you will conduct research in the field of monetary macroeconomics. The focus of your research will be on one of the following topics: interaction of monetary and macroprudential policies; the interaction of government debt, fiscal policy and monetary policy; the impact of the labour market on monetary policy

### Your opportunities

- You do research in the field of monetary macroeconomics. The focus of your research will be on one of the following topics: interaction of monetary and macroprudential policies; the interaction of government debt, fiscal policy and monetary policy; the impact of the labour market on monetary policy.
- You will have some teaching responsibilities (3h per semester).
- You will supervise a limited number of (pre-)doctoral projects as co-promotor.

### Your profile

- You have a PhD in Economics.
- You are able to work independently and to contribute to the research environment of the research group; a publication record is an asset.
- You have preferably experience within the field of monetary macro-economics.
- You have excellent communication skills in English (both orally and in writing).
- You have some teaching experience.

### Our offer

We offer a fulltime employment starting on 2012, February 1st for 2 years (possibly extendible for 3 years).

### Interested?
