

Creation? Innovation?
Ambition?

The Group Humanities and Social Sciences, Faculty of Business and Economics,
Research Center Accountancy are looking for

PhD Researcher (f/m) - ABV201208

Your opportunities

- You will conduct research in the field of Management Accounting. This research should lead to obtaining a doctorate.
- You will follow the doctoral program of the Faculty of Business and Economics.
- You will get the opportunity to participate in (international) projects, to participate in seminars and to present your research abroad.
- You will be an active member of a young and dynamic research group, consisting of several professors and a substantial number of PhD students. This enthusiastic team of researchers offers a pleasant work environment for those interested in research at an international level.
- You will also occasionally be responsible for educational support such as assisting in AFI courses, guidance of master theses and exam supervision.

Your profile

- You have a Master of Business Engineering, (Applied) Economic Sciences, Business Administration or a Master's degree in a different direction supplemented by an additional degree in Business.
- You have a good knowledge of English.
- You obtained an average yearly result of "distinction" during your university studies.
- You have good communication skills and you enjoy working in a team.

Our offer

We offer a full-time employment of fixed term from October 1, 2012 for 1 year, extendable to 4 years after positive evaluation.
